# WHAT IS TEAM CMO?

Marketing is an adventure. Great campaigns inspire us. And competition for buyer attention is fierce.

So why are all the marketing gatherings so bland and repetitive? Keynote, breakout, expo.

Where's the adventure? Where's the inspiration? Where's the competition?

At Team CMO, we're putting the fun back in marketing gatherings! Excursions, competitions, conversations, and irreverent playfulness.

Team CMO is led and advised by a team of CMOs and former CMOs with broad knowledge of the trials and tribulations of the head of marketing role and a thirst for the unconventional.
